OFFICE OF PETITIONS

Dear Sir,

I telephoned today to try to speak to you regarding the above case and to ask your advice.

I understand that I can re petition under 37 CFR1.137(b)

and that I have to pay a fee of U.S. Dollars \$750:00.

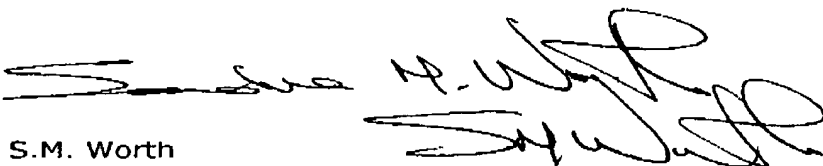

If I am successful in having this new petition granted is there any more money that I have to pay? As your penultimate paragraph on page three of 'Decision on Petition' posted December 8<sup>th</sup> 2006 states 'If petitioner has submitted the fee for a 2 month extension of time, the reply filed on 24<sup>th</sup> August, would have been timely'. Is this amount still due?

Is it possible to talk to some one ASAP regarding this?

As I want to re petition but do not want to find that I have done it

The wrong way again or I am out of time again.

Yours sincerely,

  
S.M. Worth
